Putting Your Health First

If you're looking for ultimate relaxation and a healthier you - you have found the right place. The massage therapists at Advantage Massage Therapy are among the most talented and experienced in the industry and are committed to delivering the highest quality therapy and education to their clientele.

Mobile Services

Our highly trained therapist will come to you!

Advantage Massage Therapy is working with local special care facilities and senior's homes to ensure that their residents have access to the highest quality health care possible.

Our highly trained therapist will travel to the facilities and treat their patients onsite.

All of our therapists are registered massage therapist and our treatments are covered by most private health plans. Direct billing is available for most patients with Blue Cross

We offer modified sessions that meet the patient's needs and accommodate their personal situation.

Most treatments are done with the patient seated in a chair or wheelchair and consist mostly of hand, arm, foot and leg treatments.

Accommodations can be made for patients who are unable to sit in chairs.
